### *Copyright*

We respect the intellectual property of others. If you believe any content or other materials available through ViIN infrastructure violates a copyright held by you and you would like to submit a notice pursuant to the Digital Millennium Copyright Act (DMCA) or other similar international law, you can submit an abuse report to us. Please refer to DMCA report guidelines in report process.

### *Harassment*

Harassing others through ViIn service is never tolerated.

Harassment includes, but is not limited to: any behavior that threatens or demeans another person or group, or produces an unsafe environment; harmful or prejudicial verbal or written comments related to gender, gender expression, gender identity, sexual orientation, disability, ethnicity, religion, age, physical appearance, body size, race, or similar personal characteristics; inappropriate use of nudity, sexual images, and/or sexually explicit language in public spaces; threats of physical or non-physical harm; deliberate intimidation, stalking or following; harassing photography or recording; sustained disruption of talks or other events; inappropriate physical contact; and unwelcome sexual attention.

## *Media*

Media shared through ViIn provided public infrastructure must not contain illegal or infringing content. You should only publish content if you have the right to do so. This includes complying with all software license agreements or other intellectual property restrictions. You will be solely responsible for any violation of laws or others' intellectual property rights.

## Report abuse process

If you believe someone is harassing you or has otherwise violated our abuse policy, please contact us to send us an abuse report via [info@viin.se](mailto:info@viin.se). Please include as much detail as possible. Here are some guidelines for you to consider when you make an abuse report:

- Include your name, address, telephone number and email address.
- The notification should reference an IP address from where the reported content is located or from which the reported conduct occurred. This IP address must be assigned to ViIn AB.
- The notification should reference a static URL that from where the reported content is located or from which the reported conduct occurred. This URL should resolve to an IP address assigned to ViIn AB.
- Provide a description of the content or conduct that you wish to report and why this is infringing your rights or violating applicable law or the applicable terms of use.
- For trademark infringement notifications: the registration details for the infringed trademark.
- For copyright infringement, please include a description of the copyrighted work you claim has been infringed.
- For hacking, VOIP/SIP Scanning, (D)Dos and malicious software: a description of the illegal activities, including date and timestamp, the IP address of servers that are subject of the illegal activities, the destination port, source port and log files.
- For DMCA Notices for ViIn AB, please include an authorized electronic or physical signature; a statement that the disputed use of the material at issue is not properly authorized; a statement that the provided information is accurate; a statement that you are the copyright owner.

## Action and Consequences

All content published to ViIn infrastructure is hosted at the sole discretion of ViIn AB. Unacceptable behavior from any customer/user will not be tolerated. Anyone asked to stop unacceptable behavior is expected to comply immediately.

Viln AB reserves the right to conduct an investigation. This may include that we shall be entitled to act reasonably to gather information and review relevant user/customer's security log. User/customer is obliged to fully cooperate with any such investigations.

For any customer/user engages in unacceptable behavior, we may take any action they deem appropriate, up to and including a temporary ban or permanent expulsion from our products/services without warning (and without refund in the case of a paid event or service).

## DISCLAIMER

Without prejudice to the above or any other provision of the Policies, Viln AB does not intend to review, monitor or control as a precautionary measure content sent or received by Customers using the Services. Accordingly, Viln AB is not responsible or liable for the content of any communications that are transmitted by or made available to Customer/Users, regardless of whether they originated from the Network or the Services. None of the provisions of this policy shall in any way limit or prejudice any other rights or remedies Viln AB may have.
